Remember When: Things We Cannot Change

The Better Times Website Committee, with the guidance and help of the GTAI AA fellowship, is creating an insert, to be published with the February 2009 issue, to commemorate those AA members who have passed away over the last year.

We are asking all home groups, districts and AA members in the GTAI fellowship to provide us with a list of all members whom have passed in 2008. For each person please include; length of sobriety, nick name, expression or their AA experience, strength and hope (25 words limit).

First Name & Initial	Nick Name	Length of Sobriety	Expressions	Experience, Strength & Hope (25 words)

Forms are to be returned to the Better Times Website Committee by January 10th, 2009. You may submit them to us via email at bettertimes@aatoronto.org, fax 416-487-5855 or dropped off at the InterGroup monthly meeting or at the “234” office.
