Contributions are down 68% compared to the budget, offset slightly by strong literature sales which are 10% over budget. Total revenue for the month is \$15, 606, \$4,671 below budget.

Cost of goods sold is slightly above budget by 10%. Expenses are 32% higher than budgeted due to some committee expenses being paid early and an added rent payment.

Overall, for the month of April there is a deficit of \$17,885 vs a budgeted deficit of \$6,656.

Presented by Bruce L., Finance Chair: financechair@aatoronto.org

Questions:

There was a question from a member at the in-person meeting: where do our contributions come from? Bruce answered that contributions received are from both groups and individual AA members. Contributions reported for each monthly GTAI Finance Report are a combination of these two contribution sources (individual Contributions + Group Contributions).

SUBCOMMITTEE REPORTS

ARCHIVES: Bruce L., OC Liaison, read the report sent in by Glenn G. (East York), Chairperson: Hi Friends, I am an alcoholic, a member of the East York Group, having the honour, privilege and responsibility to serve, as the chair of the GTAI Archives Committee; my name is Glenn.

We attended, with the GTAI Archives display, the East Toronto Archives Breakfast, at Qssis Banquet Hall on Sunday April 29th. A large, happy crowd enjoyed: fellowship, connection, tasty food, and an awesome talk given by Ed H. (53 Years), of the Pine Hills Group. Door prizes, Raffle Prizes, and a sobriety countdown completed the event. Ed stressed the importance of AA's singleness of purpose and cautioned the fellowship against being distracted from the original AA program. It was a sobering talk!

We also attended, with the GTAI Archives display, Information AA day, at the native centre, 16 Spadina Road, on Saturday May 24th. Breakfast and lunch were provided for the low admission ticket price of \$10. Both of our, Area 83 Eastern Ontario International, Alternate Delegate and Delegate attended and gave presentations about both the governance structure of AA and the recent General Service Conference. A guest speaker spoke about both her journey through AA service and handling outside life events along the way. There were many new members attending for their first time. I hope to see some of these members step into service roles soon.

Our committee is active and will remain active throughout the summer. For those able, please join me at the East York Group, for a 20-year medallion on the last Tuesday in July, and a 15-year medallion on the last Tuesday in August. Meetings start at 8pm, with food available after the meeting.

Yours in loving service, Glenn G.

For subcommittee inquiries, please email: archives@aatoronto.org

COMMUNICATIONS: Lijon G. (Love and Tolerance), OC Liaison **Verbal Report**

Lijon mentioned the following:

- Work continues on both the monthly Better Times Newsletter and the aatoronto.org website
- Something we're focusing on a 'non-technical' note is **establishing service levels** for when changes are submitted for Home Group meetings or submit medallion announcements, group anniversary announcements and the committee calendar. Going forward, **we are trying to implement a 5-business day turnaround**. This way, members can expect when to see the changes up on the website.
- The **June Better Times** is out. Moving forward, the committee has decided to print the newsletter on yellow paper. The stories of recovery on the front cover are a great read? We would love to hear from you and/or members of your Home Group to get more of these stories out there! (see story submission email below) "For alcoholics...by alcoholics"

Questions:

After this report, Vino K. (Newcastle Saturday Nite), incoming IT Chair, had a question about the time frame for posting meeting changes, etc. on the website. Do you have access to the Area 83 Service site? Lijon answered no; he is strictly talking about the aatoronto.org website. Vino also asked how the GTA meeting changes get to the GSO Meeting Guide app. Lijon answered

that there is a 'batch process' that runs monthly, so there is a bit of a 'lag' there in information updates. It has its own standardized scheduling to capture meeting updates/changes. Vino will work with Lijon on refresh rates and access to a plug in for this purpose.

Another question from the in person meeting: will Better Times be available for Reps to pick up at 234 during the summer break? Lijon answered that it was a good question and he will get back to members on this item. Office staff will be printing them but is unsure how the distribution will work during the summer break. **Soft copies are available on our website.**

Question from the virtual portion of the meeting: is it Reps only that can send in stories to Better Times, or any member? Lijon confirmed that stories can come from any AA member. Content is focused on recovery – experience, strength, and hope. Length of article submissions: 600 words. **Articles/Submissions/Medallion Announcements** for the Better Times Newsletter: bettertimes@aatoronto.org

Communications Chairperson needed immediately! Please reach out to comm.liaison@aatoronto.org for more information.

INFORMATION AA DAY 2025: De R. (Rexdale United), 2025 Event Chairperson
Evening friends, I'm an alcoholic, member of the Rexdale United Group and I have the pleasure of serving as your 2025 Information AA Day Chair.

We held our Info AA Day event this past Saturday, May 24th and it was a wonderful success! We estimated that we had 125 in attendance, with 4 donated tickets and 145 tickets sold!

The presentations were excellent with power points and personal sharing allowing attendees to understand each of the Subcommittees, their function and how to volunteer. The Intergroup Communications presentation was interactive and showed the website features including The Better Times, the Meeting directory and how to navigate. Kelli T and her volunteers explained and acted out a typical 12 step call which was informative and a great learning experience.

Attendees commented that they enjoyed all presentations and felt "a part of".

Our Guest Speaker, Jenny B shared her service experience with enthusiasm, joy and how her journey reflected her AA and personal life.

Our Delegate, Amy gave her report-back clearly, showing the amount of work that goes into participating in the General Service Conference while adding examples of how important the roles and responsibilities and the Agenda is and that the voice of an Area can and does make a difference.

We thank all participants, especially those on this committee who worked diligently to bring this event together. And thanks to Jenn and Birds of a Feather Group for setting up their Library with books and pamphlets selling \$260 in books and \$52 in Service Manuals on consignment. Thanks too, to the Birds Tech Team which helped us immeasurably with presentations!

And of course thank you to Gregorio and Walter for making and serving a variety of wraps and salads and to those who donated additional snacks.

We will meet for a wrap-up session Monday, June 16 at 7 pm – one week earlier as some on the committee will be early attendees at the International Conference in Vancouver.

With Gratitude and Service, De R.

I.T. SUBCOMMITTEE: Vino K. (Newcastle Saturday Nite), Chairperson **Verbal Report**

"My apologies; I didn't have a report prepared and presentable. We recently helped someone with a technical issue and it was resolved. I am currently catching up on emails; there's a plethora of in the techsupport@aaontario.org email address and the IT Chair email."

"The biggest component of things is the Area 83 service site. I was grateful to take part in the creation of this site... I'm attempting to synergize the aaontario.org site and their forms and processes to align with the Area 83 site. I'm going to be contacting the Area 83 Technology Committee in order to get information and updates to this end. The most recent finding is the search engine optimization that occurs within AA itself; either for the GTA or the Area, etc. This is when people go online for help and type in 'help with stopping drinking' etc. Instead of Treatment Centres popping up first it would instead direct them to an AA website in the area in which they reside."

ONTARIO REGIONAL CONFERENCE 2025: The following report was emailed by Eddy G. (Beaches), 2025 Event Chairperson:

I am an alcoholic, a member of the Beaches Group & I have the honor & responsibility to be your ORC 2025 Chair & my name is Eddy G.

Two items to report:

2. On Sunday June 15, 2025 at the Sheraton Hotel there will be a Wrap-up/Turnover Meeting with the ORC 2025 & 2026 Committees.

The ORC 2025 committee members will give their final reports & then the meeting will be turned over to the ORC 2026 Chair, Laura S. & her committee members. They will start planning the ORC 2026 which will be held on March 20-22, 2026 at the Sheraton Hotel. The theme is "A Revolutionary Change."

Thank you, yours in service, Eddy G., ORC 2025 Chair, Beaches Group

TWELFTH STEP: Kelli T. (The Hill), Chairperson

Below - please find the **QR code to access the 12 Step Committee web page**. On this page you will find:

- our monthly committee meeting zoom link
- Our monthly phone greeter and 12 Stepper training Zoom link
- Online applications for service
- Flyer downloads for 12 Step, Phone Greeter and Overnight Phone Greeter work to take to your home groups

At our last committee meeting on May 14 --

5 in attendance - at the meeting we discussed the following:

We continue to onboard new 12 Step Greeters and 12 Steppers - slowly.

We promote volunteer opportunities via the Better Times, on the Website and most recently, at Info AA Day. We have many more people sign up for service than actually complete the training and go on the schedule.

Late last year, we debuted the 9pm to 1am shift and are happy to report that it has been a popular time slot.

We finalized our 12 Step Committee presentation and skit for Info AA Day.

We have also been promoting our overnight shifts – During our last promotion looking for 30 greeters offering 1 night of service this past April, we did gain 1 new overnight greeter. Unfortunately, we have lost 1 of our 6 regular overnight greeters. Our June committee meeting will discuss using either an answering service or voicemail for 1am-9am shift. If you have an interest in this topic, please feel free to join us. All the information for our committee meeting is on the website.

- Grapevine and literature donations continue to be well-received and managed.

CPC/PI: No Report.

GRAPEVINE: The following report was emailed by Imran R. (Port Credit), Chairperson

Minutes of the Intergroup - District Grapevine Meeting

Date: Sunday, May 18, 2025

Attendees: Imran R. (District 6), Gigget W. (District 14) **Opening:** 10:02 am

The meeting began with a moment of silence followed by the Serenity Prayer.

There was no review session held for the upcoming presentation, as it was deemed unnecessary. The presentation will be sent out via email prior to next weekend. Members are encouraged to review it if time permits and send any feedback directly to Imran.

Back issues are expected to arrive on time, ahead of the anticipated Canada Post strike.

Regarding permission from the Grapevine, the task has been re-delegated. Gigget will reach out when she has a moment before the end of next weekend. Imran will forward the necessary contact information.

New Business:

1. **Peel Police** will be hosting an Information Day on Saturday, June 14, 2025, from 11:00 a.m. to 2:00 p.m. AA will have a table at the event, and two members will be attending. Imran will order back issues of the Grapevine to distribute at the event, with Intergroup providing budget support for this initiative.

2. **Grapevine Committee:** It was noted, following some investigation, that Intergroup does not have an official Grapevine Representative role. While it is not a formal Intergroup position, a budget is provided to support related activities. Further discussion is needed to determine whether this committee should continue meeting, or if efforts would be better focused on attending the Area 83 meetings. This approach would allow any Grapevine representative from a GTA district to attend the Intergroup General Meeting and provide a report.

District Specific Updates and Initiatives:

- **District 6:** Imran shared that District 6 has an alternate Grapevine Representative, allowing some responsibilities to be delegated as needed. There are currently about 4–5 active Grapevine reps in the district. Imran is considering organizing a casual coffee meetup to connect and collaborate with them.
- **District 14:** Gigget noted that, to her knowledge, only one group in her district—King City—currently has a Grapevine Representative. In conversations with group members, it appears that literature chairs are often covering Grapevine responsibilities as well, if at all. A reminder was shared for groups to register their Grapevine Representatives on the AA Grapevine website if they have one.

What's New from Grapevine?

- **April 2025 Featured Section:** This month's featured section is "Young and Sober." Members who got to AA at an early age share hopeful stories about getting involved in service and events, making friends, and enjoying a sober life. [Subscribe Here](#)
- **Podcast:** Season 8, Episode 20: *Learning to Fly* [Listen Here](#)
- **Story Submissions Open:**
 - **Getting Through Tough Times** (stories due July 1, 2025) A serious illness, divorce, the death of a loved one, a house fire, loss of a job, bankruptcy...How have you stayed sober through adversity? Tell us how the program and fellowship helped you.

Action Items:

1. Email Presentation for AA Info Day

- Deadline: May 23, 2025

2. Order Back Issues for Peel Police Information Day

- Deadline: Before June 1, 2025 (May be affected by the strike)

3. Investigate the Grapevine & Intergroup relationship

- Responsible: All districts

4. Email to request permission to use grapevine back articles in the Better Times Publication

- Responsible: Gigget, Deadline: May 25, 2025

Closing: The meeting ended with the Responsibility Pledge at 10:23 am.

Next meeting:

Date: Sunday, June 15, 2025

Time: 10:00 am – 10:30 am

Zoom ID: 802-161-5193

Passcode: 123456

Respectfully submitted, Gigget W. District 14, Grapevine Rep

SELF SUPPORT: Larry V. (Thornccliffe Park), Chairperson **Verbal Report**

Larry reported that he has been having trouble hosting their meetings on Zoom (Were these meetings cancelled by Intergroup?); he will get help with set-up and hosting protocol in future.

Larry has been in contact with some districts with regards to Self Support initiatives. If you want to get involved in Self-Support, please talk to your GSR and/or DCM of your district.

Larry confirmed that there will be a committee meeting in June: Thursday, June 26 at 7 p.m. (virtual). Meeting ID: 820 9238 0206 Passcode: 319853.

After Larry's report, Jomana stated: "To clarify, Intergroup did not cancel any committee meetings for anybody. The truth of the matter is – and I did talk to Larry before this meeting – this committee is not active. You don't have active members... you need to recruit members and see how you can cooperate with districts and Intergroup to engage members in the conversation. Intergroup will be more than happy to support you by providing consistent Zoom meetings whenever you are ready. We are here to support you, but you guys need to do your part. Thanks, Larry."

UNFINISHED BUSINESS

No Unfinished Business was forthcoming.

NEW BUSINESS

No New Business items were forthcoming (i.e. formal Motions); however, **the following discussion points from members** were brought to the Floor's attention:

Geraldine C. (The Indian Road Group): "There are a lot of opinions from my home group members about taking the summer off [referring to GTAI Summer Break announcement made last month at the April GTAI Workshop meeting]. Should the Operating Committee have brought this to the Floor first before going ahead with the summer break?"

Jomana replied that – as this is not new business --she will be addressing this item in her closing remarks (see below).

Geraldine also mentioned that "our group is new, and we need some support; could I share the meeting link in the group chat?" Jomana replied: "Sure! You can do that. I was planning to announce your group's need for support in my closing remarks, and I will be asking the fellowship to show up at your group to support it. I myself will drop by and attend a meeting there."

Barbara H. (Welcome Group): "The Welcome Group wanted to make a suggestion about the summer break; which I know you are addressing tonight. We want to make the comment that we think a break of this nature should be brought to the Floor in the future."

Jomana responded: "This is not new business, but duly noted."

CLOSING REMARKS / ANNOUNCEMENTS

Indian Road Group Needs Support:

Jomana stated that "the Indian Road Group which Geraldine C. just mentioned needs support. This is quite a new group that has joined the fellowship of Alcoholics Anonymous. I am personally asking you for support in terms of attendance for this group."

The Indian Road Group THURSDAYS 8 p.m. – 9 p.m. (Suburban West)

In District 06 (Mississauga) In-person meeting

Needs support! Please announce at your groups!

St. Stephens on the Hill United Church, 998 Indian Road, Mississauga L5H 2X6

CLOSED BIG BOOK DISCUSSION

Addressing the Summer Recess:

Jomana shared the following: "I've received a lot of text messages about this; as well as phone calls. I got opinions about it, which I completely understand and absolutely respect."

"One of the main things that kept coming up is 'why was it not brought to the Intergroup Floor?' The Summer Recess was implemented – in accordance with the GTA Intergroup Procedures and Guidelines (voted and approved by the Intergroup Reps in 2019/latest working document) – by a collective decision. It [this decision] was not made by me. I am not power-tripping; trust me. I'm happy to provide a document of the GTA Intergroup Procedures and Guidelines for those questioning the decision. So, these decision came from you guys; it did not come from us. We facilitated it; we made it happen. But you already voted on the process that made it happen."

"Again: send me an email and tell me what your home group thinks [about this item]. I'll be happy to hear feedback."

"On a personal note: I wish the members that expressed any kind of objection to the summer break had 'paused' and actually read the [Summer Break] flyer that was circulated last month, and approached me with open-mindedness and genuine curiosity and questions. Because (and this is my opinion; Jomana's personal opinion, not as OC Chair) the only people that objected to this are not involved in service. They don't understand the level of burnout in Intergroup committees, District committees, and the members that are literally helping to serve the Fellowship and the still-suffering alcoholic in this city. Look around you: it is the same faces that are doing service over and over and over again."

"If we actually looked at the flyer: the meetings that are affecting the Intergroup Representatives are three hours; three General Meetings (June, July, and August). The meetings that are affecting the Operating Committee and Finance Committee are also cancelled for June, July and August. The number of hours that affect the Operating Committee and Intergroup service people... to put on those 9 meetings that you see on the flyer are 30 hours [of commitment]."

"And again: I wish you guys had of slowed down and actually read what the flyer said. You as Reps will be getting your reports every month. Instead of holding the General Meeting [June July and August), Alexx will be sending you the Minutes with Subcommittee reports from June to August: the Finance Report, the Archives Report... every report that you get to hear at each General Meeting. You will have a copy to bring to your home group for those months. If you have questions for the Subcommittee Chairs, you can send them an email [emails for

subcommittees will be provided in the Minutes]. It's not like we're putting up a 'Gone Fishing' sign up and we're leaving." [Digital summer break announcement flyer was shared on Zoom at this point] All the subcommittees are still operating. You can see from the flyer what is not taking place. You can ask 'What do we have, in lieu of these meetings?' The Finance and Operating Committees are very close. We talk together on a regular basis."

"So: if the 'sky falls' in one of these months (which I don't think it will); if anything urgent happens, we will reach out to the fellowship. If an issue needs the attention of all of the groups, we will make sure that you guys hear about it. If it's something that we can be of service with, we will do it. The Intergroup Office is not shutting down; groups can acquire their literature and medallion needs as usual. All the committees are still meeting. You will be getting reports."

"I want to go back to the member who asked about the 'dip' in contributions, and if it has anything to do with the summer break. We have one month of data [April]. You cannot conclude trends based on one month of data. We don't know why that happened. It's concerning; it's surprising. But I don't have that answer for you. The contributions come from home groups and members. They don't come [solely] from Intergroup Representatives attending on the last Tuesday of each month."

"I do not want to sound harsh in my comments. What I wish for every person that says 'What about Tradition Two? What about Tradition Six?'' I want you to step into one of these member's shoes and see how much time they spend trying to carry the message to the alcoholic who's suffering, and the alcoholic who is not. Then, you can judge us on why we're trying to save 30 hours in those three months and give time back to these volunteers, considering we're still fully operative [in terms of Reps receiving reports]. This is not a decision I pulled out of my pocket. We adhered to our Procedures and Guidelines of Intergroup, which the Intergroup Representatives voted on and passed in 2019. We might want to consider a new edition [of this document], but that's a different topic."

"I am not opening this up for conversation; it's not a dialogue. Again: if you have any feelings, opinions, or experiences about it, give me a call or an email. I would love to talk to you. You can tell me exactly what you think. I'm not shy; you cannot hurt my feelings. You can point out Traditions, etc. I'll be happy to listen/ read your feedback."
