A.A. Group Liability Insurance For Ontario A.A. Groups

GTA Intergroup has arranged a group insurance program for A.A. Groups.

Many churches and other facilities require that a group provide proof of insurance coverage to hold meetings at their premises.

Coverage under this program is fully portable and belongs to the A.A. group not the facility.

Note: Some facilities may offer to add your group as an additional insured on their policy in return for a fee. If this is the case, request a certificate showing that they have done so. If you have been provided coverage this way it is not portable (if you move your meeting to another location, you can't take it with you) and coverage will be only shared with the primary policy holder.
